Hill Valley is an unaided co-educational, recognized institution run by Educational and Welfare Society, founded in the year 1983 by our Chairperson and Patron Mrs. Lily Varghese, an Educationist and Philanthropist.

Hill Valley HSS School believes in value – based education that encourages children to be independent and socially responsible. We inspire all our students for continuous search for knowledge, empowering them with the skills. Our school strives to achieve excellence in whatever we do.

Mrs. Lily Varghese
Founder, Chairperson,
Patron

To be a premier educational institution offering quality and contemporary education inculcating moral and ethical values to the students to shape them up to be a responsible part of the society.

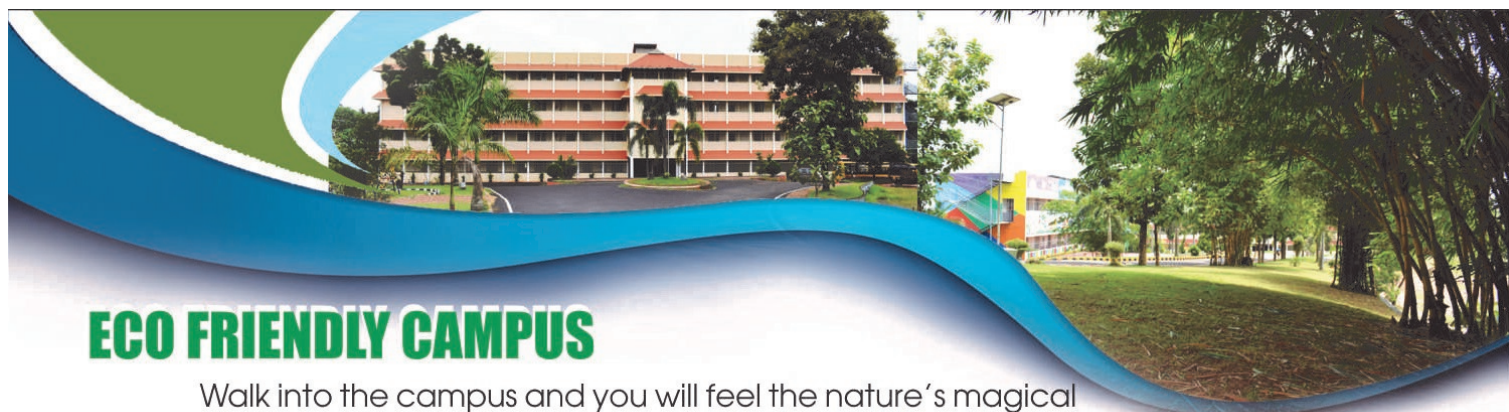

To mould each and every pupil into a wholesome personality by focusing on the key elements creativity, collaboration, character and confidence.

To ensure that children acquire that kind of academic excellence which will lead them to the understanding of concepts and principles so that search for knowledge becomes a life-long quest.

To acquire a positive attitude towards life and patterns of behaviour required to live in harmony with other individuals and with nature.

ECO FRIENDLY CAMPUS

Walk into the campus and you will feel the nature's magical touch. Hill Valley is one of the rare schools where you can encounter the gentle feel of the unpolluted landscape. Besides improving aesthetics, the school campus provides fresh air and an outdoor learning space. The scenery of Hill Valley campus will bring an aura of peace to everyone.

Our solar power systems derive clean, pure energy from the sun. Hence the Hill Valley campus is an ideal place to combat greenhouse gas emissions and thus plenty of fresh air adds to the richness of nature.

FECILITIES

SCHOOL BUILDING

The School functions in a four storeyed building with spacious courtyard and parking area and has a well-furnished auditorium to accommodate more than 300 people, a well-equipped seminar hall, rest rooms, library, laboratories, Reading room, separate class room for optional subjects and general subjects, work experience room, computer labs etc. Spacious playground, Football ground, badminton court, basketball court etc. in the school campus provides a rich ambience for the students overall developments.

Little Hill Valley (Junior Block) functions in a two storeyed building equipped with Solar Panels. The interior walls of little Valley is painted and designed beautifully to enable the students to facilitate a positive attitudes towards art.

In little Hill Valley we emphasis on 21st century skills. For the well around development of the individuals.

LIBRARY

At Hill Valley, students' world and their love for reading is enlarged.

Besides broadening their imagination and creativity the extensive library of Hill Valley aims to do the following:

- Support the educational aims of the school by making the library central and integral to the independent learning processes within the school.
- Provide a service which will enable the students to become more responsible for their own learning and help them sharpen their study skills.
- Enrich students' curricular experiences by providing appropriate resources.
- Provides an environment for private reading and mental relaxation.

LABORATORIES

The labs at Hill Valley School cater to the scientific temperament of the students. The environment and setting of the lab nurture the intuitive and inquisitive minds of the children and enhance their test to make scientific enquiries.

Students and teachers use the labs regularly to have more in-depth knowledge and understanding of their relevant subjects. Hill Valley School has a well-equipped Biology, Physics, Chemistry, Home Science and Computer Science labs.

SMART CLASS

Interactive multimedia classes enable the teachers to engage the students in the learning process and use the various digital resources such as animations, videos, diagrams and 3-D graphics with audio to bring interactivity right inside the classroom. It aids in the faster and accurate learning, besides making the concepts more interesting.

SCHOOL CONVEYANCE

To ensure the safe travel, the school has its own fleet of school buses and vans, designed as per standards and manned by trained drivers. For supervision and monitoring, a transport attendant is on-board throughout the journey. All buses are equipped with fire extinguishers and GPS monitoring system.

ART INTEGRATION

Schooling at Hill Valley HSS goes beyond the classrooms into the wider creative world outside. Apart from a keen focus on academics, various creative activities are taught that engage the mental and intellectual power of our students.

We provide music, art and craft sessions for the students, which is conducted by trained personnel.

SPORTS

The Sports Curriculum at Hill Valley aims to provide a comprehensive program for development through physical, intellectual, emotional and social wellbeing of students.

It involves outdoor and indoor games. Outdoor games include football, basketball, cricket, badminton and athletics. Indoor games include chess, carom, table tennis, yoga and aerobics.
